

## Appendix F

The Office of Fellowships administers a large number of national and Williams-internal fellowships for students and alums. Most students who are successful in fellowship competitions have been encouraged by their faculty mentors to apply. You can help your students by:

- Mentioning fellowships in your advising sessions
- Informing students about specific fellowship opportunities
- Referring students to the Fellowships Office
- Providing students with feedback on application drafts
- Writing targeted letters of recommendation

The Fellowship Office is located on the 2<sup>nd</sup> floor of Hopkins Hall. Our web pages are on the Dean of The College's website.  
Staff:
